

SEMINAR “TRADE AND INVESTMENT OPPORTUNITIES IN MALAYSIA”

Thursday, 29 September 2016, 0900 hrs - 1130 hrs
Hilton Munich Park Hotel, Munich
Am Tucherpark 7, 80538 München

On the occasion of the visit of Dato' Sri Mustapa Mohamed, Malaysian Minister of International Trade and Industry, we invite you to participate in the Seminar on “Trade and Investment Opportunities in Malaysia”. This event will be an opportunity to get the latest information about the economic situation in Malaysia, and also to discover new business and investment opportunities between the two countries.

Highlights:

- Presentation by H.E Dato' Sri Mustapa Mohamed on Trade and Investment opportunities in Malaysia
- Testimonial by German company

Located in the heart of Southeast Asia, Malaysia is a gateway to the ASEAN market with 625 million inhabitants and an estimated combined GDP of 2,578 billion USD in 2015.

Malaysia is Germany's key partner in Southeast Asia and has successfully attracted German companies in various sectors: Electrical and Electronics, Automotive and Transport, Machinery and Equipment, Chemical and Chemical Products, Medical Technologies and Life Science, Aerospace, Education, Renewable Energy, Pharmaceuticals, Healthcare, Biotechnology, etc.

Highlights on Malaysia

- Economic stability and growth: **GDP (2015) grew by 5.00%**
- **4th** in Asia as a destination for investment by global multinational companies (Asia Business Outlook Survey, The Economist Corporate Network, 2013)
- **3rd** most preferred services location (AT Kearney's Global Services Location, 2014)
